Option 3 - BYO:

- A BYO service fee of \$10 per person for all alcohol drinkers applies
- We certainly encourage BYO, but as a licensed premise the statutory alcohol laws apply. These include ensuring that soft drinks and low alcohol drinks are included in your delivery.
- **Under no circumstances are bottles of spirits allowed. They will be confiscated before we leave and returned at the conclusion of the charter – no exception.**
- It is preferable that all drinks be pre-delivered to Summer Breeze 60 to 90 minutes prior to departure or earlier if possible.
- **Over-catering:**
Most guests tend to over order. This not only creates more to deliver but also more to pack up and take away at the end of your lovely cruise which is a real drag.
